

KinderNews

September 14th-18th
Ms. Purvine

Danielle.Purvine@cobbk12.org

Hendricks Elementary

770-819-2387

A Peek at our Week:

Reading: In readers workshop students will be reading stories and learning about Johnny Appleseed. Students will complete a variety of activities to build reading skills.

Writing: In writers workshop students will be writing facts about Johnny Appleseed. Students will review labeling and how they can add detail to their writing and drawings.

Math: In math workshop students will continue to count to 50. Students will learn about 2D shapes and begin to be able to analyze and compare them.

Phonics: We will be continuing Zoo Phonics. We will be focusing on letter N this week. Students will also continue to practice sounding out words by completing a write the room activity.

Science: Students will complete an apple investigation booklet by completing a variety of experiments.
